Screen Shots From The C64 Version

ROCKFORD™
The only true ARCADE version of the classic game BOULDER DASH™

Developed using all the 16-bit power of the AMIGA for ARCADIA SYSTEMS Arcade cabinets.

There are four levels on each of five different worlds with four screens on each level. It all adds up to eighty totally different playing screens. Take up the challenge as you guide ROCKFORD™ through the puzzles and take on the rôle of cowboy, spaceman, doctor, chef and hunter.

THE ULTIMATE GAMEWARE CHALLENGE
Read what the press say:-
The game of the Galaxy
Hitchhiking Monthly

Eighty tortuous screens to suffer on–
Dungeon Monthly

One or Two Player Option
Joystick or redefinable keys.

EXTRA FREE GAME
BACK TO REALITY
A quest across two universes to save the Earth from becoming a black hole
